We firmly advocate the policy of environment conservation and also aim at enabling our students reach their full potential as well as helping them find creative healthy ways to enrich both the quality of education and the quality of life at campus. Our college has distinctive campus with a range of flora in it. The college is well known for its continuous efforts to maintain the campus environment distinctive and lush green. There are uncounted trees and plants in the campus of 10.3 acres. The inclusion of plants like Ashoka, Parizaat and Jatropha etc. makes the atmosphere lively at campus. The college authorities ensure that the practices followed in the campus are healthy and environment friendly. To formulate the idea of green campus, a college level “Campus Beautification and Eco Club Committee” has also been formed. The committee looks after the cleanliness, plants, trees, water supply etc. College organizes regular drives of tree plantation with a wide variety of trees to make campus green. NSS Camps have also focused on cleaning the campus, utilizing the waste water and proving healthy natural atmosphere in the campus. There are ornamentally diverse plants like China rose, Petunia, and Chrysanthemum etc. in the lawns. The college keeps on organizing poster making and slogan writing competitions and other events to raise awareness among students and they are sensitized for saving water and electricity and are discouraged to use plastics. The college promotes maximum use of ICT and demotes the use of paper. There is a ban on the plastic file covers, plastic bottles, polyethene bags to promote and bringing a healthy environment in the campus.

Thus, the college leads in redefining its values of environmental culture and developing innovative sincere paradigms by formulating sustainable solutions to environmental, social and economic needs of the mankind in real sense. We therefore, left no stone unturned in the development of a green ecosystem to provide enrichment to the mind, heart and soul of the students. The College makes all the necessary efforts to involve the students, faculty and staff in “Green Campus Initiatives” by designating the volunteers green campus initiative slogan specially designed for the purpose.
