- I. When the syllabus is being revised, there is requirement of addition of more courses in the syllabus of UG English course. For example, if The Merchant of Venice is read in a semester, one more novel or drama must be included in it.
- II. The study of Geography according to continent-wise should be included in the curriculum of 5th semester along with geographical maps of the world. Some parts of Geographical Thoughts should be added in the syllabus of UG Pass course.
