Action Taken Report on the Exhibition of Poster & Slogan for Sensitizing the Students about the Drugs at Govt. College Satnali (15-10-2024)

Government College Satnali organised an “Exhibition of Poster & Slogan for Sensitizing the Students about the Drugs” on 15 October 2024. This activity was organised by the NSS Units of this college. College Principal Sh. Birender Singh said that the drugs awareness campaign has become increasingly important in today's society. Drug related posters are a key component of these campaigns, as they provide a visual representation of important health messages. They serve as a powerful tool to grab attention and engage the audience to inspire communities to take action and combat drug addiction with knowledge and understanding. NSS Programme Officer, Dr. Shri Bhagwan said that this initiative launched by the Government of Haryana is commendable. He also added that drug addiction is a reality that affects millions of people worldwide. To help raise awareness and educate the community, posters have been designed. These posters come in two different types: informative posters and posters with a powerful message. Lalita Aggarwal (B.A.3rd), Priti (B.A. 3rd) and Manvi (B.A.3rd) got 1st, 2nd and 3rd positions in poster making, respectively. Dr. Kamla Devi would encourage the more than 100 NSS volunteers to take pledge regarding drug awareness and ended the event with vote of thanks to the volunteers for their presence.
